

Turkey Recipe

Makes approximately
2kg of fresh food

INGREDIENTS:

430g potato
150g carrots
200g broccoli
150g fresh spinach
75g chicken liver
185g macaroni or elbow pasta
500g turkey mince
30ml (2 Tbsp) canola oil
1 level scoop (17g) The Nosh Project Dog
Nourish²⁷ Balance

PREPARATION & COOKING:

1. Wash all fresh vegetables thoroughly.
2. Dice potato, carrot and broccoli into 1cm cubes, set aside.
3. Finely chop spinach, set aside.
4. Cut chicken liver into 1cm cubes, set aside.
5. Cook pasta according to package instructions. Set aside to cool.
6. Place potatoes in a pot and cover with cold water, bring to the boil. Cook for 10-15 mins or until tender.
7. When potatoes have 5 mins remaining cook time, add carrot and broccoli to the pot. Drain & set aside to cool.
8. In a non-stick pan over medium to high heat, cook turkey mince & chicken liver. Stir often & break up any large pieces.
9. When turkey is almost cooked, add spinach and cook for further 20 seconds or until spinach is wilted. Place mixture into a large mixing bowl & set aside to cool.
10. Once the mince mixture has cooled completely, add pasta, potatoes, carrots, broccoli and oil. Mix until combined.
11. Evenly sprinkle half the Dog Nourish²⁷ Balance (half scoop) and stir to combine, then evenly sprinkle remaining half and mix thoroughly until fully incorporated.

SERVING & STORAGE:

1. To serve immediately after cooking, measure out the appropriate amount of food on a scale. See feeding guides below. Serve at room temperature.
2. To store remaining food, portion into individual serving sizes appropriate to your dog's weight in airtight containers. Label each container with the date and place in the fridge (4°C) or freezer (-15°C). Meals can be kept in the fridge for up to 4 days or in the freezer for up to 12 weeks.
3. To serve from frozen, remove container from freezer and defrost in the fridge overnight.

IMPORTANT NOTES:

- Try other pasta shapes like fusilli, risoni or penne. Avoid long or large pasta shapes like spaghetti or fettucine.
- Use fresh vegetables where possible, however when using frozen vegetables, make sure there are no added ingredients such as salt or sugar.
- Carefully follow The Nosh Project make-at-home recipes for ingredient listings and Dog Nourish²⁷ Balance quantities to ensure a nutritionally complete & balanced meal.
- Do not deviate from recipe or add more than recommended.
- Formulated for your dog. Not for human consumption.
- Keep out of reach of children.
- For Tasmania customers; use only human-grade, treated chicken liver. For more information, please visit our website or Biosecurity Tasmania, Hydatid Disease.

DAILY FEEDING GUIDE:

Adult Weight (kg)	Feed (g)
2 - 5	125 - 250
5 - 10	250 - 500
10 - 15	500 - 750
15 - 20	750 - 875
20kg+	Add 125g per 5kg of additional body weight
